NOTICE OF APPARENT LIABILITY FOR FORFEITURE

Released: December 2, 2002

By the Enforcement Bureau, Tampa Office:

I. INTRODUCTION

1. In this Notice of Apparent Liability for Forfeiture (“NAL”), we find Wings Communications, Inc. DBA WELE Radio (“WELE”), in Ormond Beach, Florida, apparently liable for a forfeiture in the amount of ten thousand dollars (\$10,000) for willful and repeated violation of Section 17.51 of the Commission's Rules (“Rules”).¹ Specifically, we find WELE apparently liable for failure to exhibit red obstruction lighting from sunset to sunrise on the antenna structure assigned Antenna Structure Registration (“ASR”) number 1062835 in Ormond Beach, Florida.

II. BACKGROUND

2. Antenna structure 1062835 is located in Ormond Beach, Florida. Wings Communications, Inc. DBA WELE Radio is the registered owner of this structure. The structure’s ASR specifies that the structure be painted and lit with red obstruction lighting.

3. On October 1, 2002, after local sunset, two agents from the Commission’s Tampa Field Office inspected antenna structure 1062835 in Ormond Beach, Florida and observed that the top red beacon on the structure was not illuminated per assigned painting and lighting specifications. The Federal Aviation Administration (“FAA”) had no record of any report of a light outage for this structure.

4. On October 3, 2002, after local sunset, two agents from the Commission’s Tampa Field Office inspected antenna structure 1062835 in Ormond Beach, Florida and observed that the top red beacon on the structure was not illuminated per assigned painting and lighting specifications.

III. DISCUSSION

¹ 47 C.F.R. § 17.51.

5. Section 17.51 requires that all red obstruction lighting be exhibited from sunset to sunrise unless otherwise specified. WELE owns antenna structure 1062835 and is required to exhibit red obstruction lighting on that structure from sunset to sunrise. On October 1, 2002 and October 3, 2002, WELE failed to exhibit red obstruction lighting from sunset to sunrise on antenna structure 1062835 in Ormond Beach, Florida. In addition, WELE failed to immediately notify the FAA of the improper functioning of the structure's lighting.²

6. Based on the evidence before us, we find WELE willfully³ and repeatedly⁴ violated Section 17.51 of the Rules by failing to exhibit red obstruction lighting from sunset to sunrise on antenna structure 1062835 in Ormond Beach, Florida.

7. Pursuant to Section 1.80(b)(4) of the Rules,⁵ the base forfeiture amount for failure to comply with prescribed lighting and/or marking is \$10,000. In assessing the monetary forfeiture amount, we must also take into account the statutory factors set forth in Section 503(b)(2)(D) of the Communications Act of 1934, as amended ("Act"), which include the nature, circumstances, extent, and gravity of the violation, and with respect to the violator, the degree of culpability, any history of prior offenses, ability to pay, and other such matters as justice may require.⁶ Considering the entire record and applying the factors listed above, this case warrants a \$10,000 forfeiture.

IV. ORDERING CLAUSES

8. Accordingly, IT IS ORDERED THAT, pursuant to Section 503(b) of the Act,⁷ and Sections 0.111, 0.311 and 1.80 of the Rules,⁸ Wings Communications, Inc. DBA WELE Radio is hereby NOTIFIED of this APPARENT LIABILITY FOR A FORFEITURE in the amount of ten thousand dollars (\$10,000) for willful and repeated violation of Section 17.51 of the Rules by failing to exhibit red obstruction lighting from sunset to sunrise on antenna structure 1062835 in Ormond Beach, Florida.

9. IT IS FURTHER ORDERED THAT, pursuant to Section 1.80 of the Rules, within thirty days of the release date of this NAL, Wings Communications, Inc. DBA WELE Radio SHALL PAY the full amount of the proposed forfeiture or SHALL FILE a written statement seeking reduction or cancellation of the proposed forfeiture.

² Owners of registered antenna structures with assigned lighting must immediately report to the FAA any known improper functioning of any top or flashing light. See 47 C.F.R. § 17.48(a).

³ Section 312(f)(1) of the Act, 47 U.S.C. § 312(f)(1), which applies to violations for which forfeitures are assessed under Section 503(b) of the Act, provides that "[t]he term 'willful', when used with reference to the commission or omission of any act, means the conscious and deliberate commission or omission of such act, irrespective of any intent to violate any provision of this Act" See *Southern California Broadcasting Co.*, 6 FCC Rcd 4387-88 (1991).

⁴ The term "repeated," when used with reference to the commission or omission of any act, "means the commission or omission of such act more than once or, if such commission or omission is continuous, for more than one day." 47 U.S.C. § 312(f)(2).

⁵ 47 C.F.R. § 1.80(b)(4).

⁶ 47 U.S.C. § 503(b)(2)(D).

⁷ 47 U.S.C. § 503(b).

⁸ 47 C.F.R. §§ 0.111, 0.311, 1.80.

10. Payment of the forfeiture may be made by mailing a check or similar instrument, payable to the order of the Federal Communications Commission, to the Forfeiture Collection Section, Finance Branch, Federal Communications Commission, P.O. Any claim of inability to pay must specifically identify the basis for the claim by reference to the financial documentation submitted.

13. Under the Small Business Paperwork Relief Act of 2002, Pub L.
